**PLAINTIFF'S FIRST REQUEST FOR PRODUCTION OF DOCUMENTS**

---

Plaintiff, Dr. Dilip Jana, pursuant to Federal Rules of Civil Procedure 26 and 34, serves the following requests for production of documents on Defendant, **Walmart, Inc.** Defendant is required to respond to these production of documents no later than thirty (30) calendar days after receipt of this document, to the undersigned at 800 Fairlawn St, Allen, TX, 75002 or by Email: [janadilip@gmail.com](mailto:janadilip@gmail.com).

**I. INSTRUCTIONS**

Rule 34 of the Federal Rules of Civil Procedure ("FRCP"), as well as the Court's Scheduling Order (dKT 50) govern the requests for production listed below. You must answer each request, to the extent it is not objected to, separately and fully in writing. If you object to a request, you must specify whether you are withholding any responsive information on the basis of the objection

asserted. Please be aware that “[a]n objection to part of a request must specify the part and permit inspection of the rest.” Fed. R. Civ. P. 34(b)(2)(C).

1. Pursuant to FRCP 34(b)(2)(B), if you object to a request, the grounds for each objection must be stated with specificity. Also pursuant to that Rule, if you intended to produce copies of documents or of ESI instead of permitting inspection, you must so state.

2. If, in responding to this Request for Production, the responding party encounters any ambiguities when construing a request or definition, the response shall set forth the matter deemed ambiguous and the construction used in responding.

3. Pursuant to Rule 34(b)(2)(C), an objection must state whether any responsive materials are being withheld on the basis of that objection.

4. Whenever in this Request you are asked to identify or produce a document which is deemed by you to be properly withheld from production for inspection or copying:

A. If you are withholding the document under claim of privilege (including, but not limited to, the work product doctrine), please provide the information set forth in Fed. R. Civ. P. 26(b)(5). For electronically stored information, a privilege log (in searchable and sortable form, such as a spreadsheet, matrix, or table) containing metadata fields that generally correspond to the above paragraph is permissible, provided that it also discloses whether transmitting, attached or subsidiary (“parent-child”) documents exist and whether those documents have been produced or withheld.

B. If you are withholding the document for any reason other than an objection that it is beyond the scope of discovery, identify as to each document and, in addition to the information requested in paragraph 4.A, above, please state the reason for withholding the document. If you are withholding production on the basis that ESI is not reasonably

accessible because of undue burden or cost, provide the information required by **FRCP and Local Rules**

5. When a document contains both privileged and non-privileged material, the non-privileged material must be disclosed to the fullest extent possible without thereby disclosing the privileged material. If a privilege is asserted with regard to part of the material contained in a document, the party claiming the privilege must clearly indicate the portions as to which the privilege is claimed.

**When a document has been redacted or altered in any fashion, identify as to each document the reason for the redaction or alteration, the date of the redaction or alteration, and the person performing the redaction or alteration. Any redaction must be clearly visible on the redacted document.**

6. It is intended that this Request will not solicit any material protected either by the attorney/client privilege or by the work product doctrine which was created by, or developed by, counsel for the responding party after the date on which this litigation was commenced. If any Request is susceptible to a construction which calls for the production of such material, that material need not be provided and no privilege log pursuant to Fed. R. Civ. P. 26(b)(5) will be required as to such material.

7. Please set forth, verbatim, the text of each of the following requests before your written response. If you claim a privilege relating to any of the information sought under the requests below, specify in detail the nature or bases of the privilege, and prepare and serve a privilege log that complies with Fed. R. Civ. P. 26(b)(5)(A) and includes:

- (a) the date the document was prepared;
- (b) the author of the document;
- (c) the person to whom the document was sent and all persons receiving copies; and

(d) the general subject covered in the document.

8. As with all discovery requests, you are required to furnish all responsive information to these requests which are available to you. This includes, but is not necessarily limited to, any information in the possession of your representatives, agents, contractors, attorneys, or investigators.

9. Rule 26(e) of the Federal Rules of Civil Procedure imposes a continuing duty to supplement your response to a request issued under Rule 34 when you know or learn that the prior response or production is in some material respect incomplete or incorrect. If you produce information responsive to a request, identify the documents responsive to the request by Bates number.

Hey Shawn,

I hope your week is wrapping up well.

I am hoping to take termination steps early next week (strongly prefer Monday) with Dilip, as even this current week we are still experiencing disruptive behavior.

You had mentioned wanting to use this last week to finalize leadership alignment, data security teams etc in order that Wendy and I could hold the conversation when we return from PTO.

Just wanted to confirm we are good to go. Appreciate your partnership throughout this process.

As an aside, I intend to get to Dallas this next week to be with the remaining Dallas team in person after we have the separation convo with Dilip.

Let me know if you need anything else from me.

### **III. INTERROGATORIES DEMANDED**

1. Identify all persons answering or supplying information used in answering these Interrogatories. Please be specific to each individual's contribution to each of the answers of these Interrogatories.
2. This interrogatory is related to EXHIBIT 1 (Complaint, Dkt 13, PageID#:298) and EXHIBIT 2 (Complaint, Dkt 13, PageID#:299) of the Complaint (Dkt 13) and here is the context.

Complaint ¶191 claimed

“Walmart and its attorney’s modified/altered evidence and presented the modified documents to Federal Agencies; makes it a crime...Upon close inspection, one can find that EXHIBIT 2 is an altered version of EXHIBIT 1 which appears to be for the purpose of committing fraud, thus making it a crime under Federal Laws.”

On June 14, 2024, Defendant in it’s Answer to the Plaintiff’s Complaint to Administrative Law Judge at the Department of Labor said,

“Walmart provided a redacted version in its original response out of an abundance of caution. We have reassessed the document and determined that it was originally marked for privilege in good faith error. We are attaching the **unredacted version** herein as an Exhibit and intend on providing the attachments subject to a protective order” (emphasis added)

On December 19, 2024, Defendant in it’s Brief to this Court (Dkt 30, Page 11, PageID 590) claimed,

“Plaintiff again returns to his theory that Walmart committed criminal fraud in the OSHA proceedings below by altering a document. Walmart hesitates to dignify this conspiracy theory with another response and instead refers the Court to Walmart’s Reply in Support of Motion to Stay Discovery, Dkt. No. 23, which explains that the “altered document” was a mere unredacted version of a document already produced. Relatedly, Plaintiff argues that the Motion should be denied because Walmart has unclean hands from “altering evidence.” Response ¶85. But as stated above, **Walmart did not “alter” evidence**—it produced an unredacted version of a document” (emphasis added)

Do you still maintain that EXHIBIT 2 (Complaint, Dkt 13, PageID#:299) is exactly the same unaltered document but just “**unredacted version**” of EXHIBIT 1 (Complaint, Dkt 13, PageID#:298)?

Please answer YES/NO.

3. If your answer to interrogatory 2 is YES, please answer following questions:

- EXHIBIT 1 had an attachment “Termination recommend...msg” which is clearly visible, why EXHIBIT 2 does not have “Termination recommend...msg”?
- Why are the sent dates of EXHIBIT 1 (Wednesday, October 4, 2023 11:07:31 PM) and EXHIBIT 2 (Wednesday, October 4, 2023 6:08 PM) different?
- Why is there 1 at the bottom of EXHIBIT 2 while there is no 1 in EXHIBIT 1?

4. If your answer to interrogatory 2 is NO, please answer following questions:

- Did Defendant alter EXHIBIT 1?
- Who and when was EXHIBIT 1 altered?
- What's in the altered content
- What was the purpose of the alteration?

5. Defendant's Reply in Support of Motion to Dismiss (Dkt 30, page #10) states:

“Plaintiff’s apparent inability to comprehend that his continual questioning of the competency of his supervisors would result in an adverse employment action”

Plaintiff requests that the Defendant supply the following in support of this language and assertion *during Plaintiff’s employment at Walmart prior to the termination decision:*

- a) What constitutes a ‘continual’ questioning?
- b) How many times of this are alleged to have occurred?
- c) Please provide events with dates, locations, persons involved, context and detailed description of the event Plaintiff’s “continual questioning of the competency of his supervisors” prior to 10-19-2023.
- d) Do you agree that use of the word ‘continual’ is hyperbole and grossly misleading. If no, explain why.

6. Plaintiff’s Complaint states that SOX (shareholder fraud), CAARA (Antitrust fraud), and FCPA violation whistleblower activities were related to Ridhi Mehra’s alleged wrongdoing. Ridhi Mehra’s tenor of 12 years at Walmart ended within a few months after Plaintiff’s termination and during pendency of this case with Ridhi Mehra as the main witness. Walmart terminated the employment of their main witness of Dr. Jana’s termination. In one of its Briefs to this Court, Walmart stated they terminated Mrs. Mehra because of “mismanagement”. Please answer following questions:

- (a) What type of mismanagement specifically led Mrs. Mehra’s termination; please explain in detail.
- (b) Does it refer to mismanagement of money, personnel, corruption or something else?
- (c) When did this mismanagement occur? How did Walmart find this mismanagement?
- (d) Is this mismanagement related to Dr. Jana’s case or lawsuit? Please explain.

7. State and describe in detail all evidence including documents, affidavits and/or statements which you have not submitted to Plaintiff upon which you intend to rely, or submit at the hearing.

8. Please provide a list of each and every document with detailed description with dates,

projects, meetings etc which you are using to support your claims that termination was because of insubordination and performance.

9. Please describe detailed inputs from Adrian Milbourne, Ridhi Mehra, Allie Hazelwood, Greg Cathy, Shawn Cohen, Wendy Bowman, Monica Hall, Lori Chumbler, Jelahan Stewart for Plaintiff's termination recommendation.

10. Walmart's position statement submitted to OSHA on or around Feb 21, 2024 had, "Despite repeated efforts by his leadership to help Jana find a path to success, Jana refused to do so"

(i) Please describe Dr. Jana's leadership's repeated efforts with date, projects and brief description of what efforts the leadership made to help Dr. Jana get success.

(ii) Please provide cases with dates and projects where Dr. Jana "refused to do so".

(iii) Please state the dates with appropriate project details when management warned Dr. Jana about his refusal to do the task.

11. (i) Describe the roles and responsibilities of Dr. Jana (Director of Data Science) and Kamil Bay (Director of Analytics) when Ridhi Mehra and Adrian Milbourne set up the new team by hiring these two Directors on or around January-April 2023.

(ii) Please list in detail all reasons that Kamil Bay was hired as a Director of Analytics, not as Director of Data Science as of April 8, 2023.

(iii) Please list in detail all reasons that Dr. Jana was hired as a Director of Data Science, not as Director of Analytics as of April 8, 2023.

(iv) State any changes of Roles and Responsibilities of Dr. Jana (Director of Data Science) and Kamil Bay (Director of Analytics) that occurred after August 8, 2023 and before October 4, 2023 and the reason for that change.

12. Please list all positions/Designations held by Kamil Bay with dates since Kamil Bay joined Walmart until October 19, 2024.

13. Walmart's position statement submitted to OSHA on or around Feb 21, 2024 had, "Apart from belittling and insulting his supervisor by indicating that Milbourne does not understand "simple English," Jana provides no solutions or proposals - his expectation is that Milbourne, his supervisor, "provide [...] all the answers..This behavior was emblematic of Jana's overall performance"

While disagreeing with the assertion that Dr. Jana somehow belittled Milbourne, how does that affect Dr. Jana's quality of work or eliminate the need for data and answers required to complete the task? The answers (solutions or proposals) Dr. Jana provided were to repeatedly ask for relevant parties to provide the needed data and information required for the work.

14. (i) Please state how many 1:1 meetings or Quarterly Touch Base meetings were scheduled between Ridhi Mehra and Dr. Jana between Aug 8, 2023 and October 19, 2023 (by Ridhi Mehra's secretary Laura Tedrik) and how many times those meetings were either rescheduled/never met or canceled?

(ii) Please state how many 1:1 meetings or Quarterly Touch Base meetings were scheduled between Ridhi Mehra and Dr. Jana between April 8, 2023 and August 8, 2023 (by Ridhi Mehra's secretary Laura Tedrik) and how many times those meetings were either rescheduled/never met or canceled?

15. Please list any adverse actions (including but not limited to disciplinary action, termination etc) against Kamil Bay, Adrian Milbourne and Ridhi Mehra between August 8, 2023 and March 28, 2025 taken by Walmart in connection with this lawsuit.

18. (i) Please state whether you agree or disagree with the following statements/FACTS:

On or around March 28, 2023 Infogain presented their proposal to win the bid which clearly stated:

" Our Day One MVP Team: We are ready to hit the ground running" with "OnSite" following people:

Asif Khan (Project Manager)  
Sudeep Haldar (Subject Matter Expert)  
Abdurrehman Malekji (AI Tech Lead)  
Shahid Mohammed (Account Manager)

and proposed a BID of \$180,000.

On Tuesday, April 11, 2023 Shahid A. Mohammed of Infogain wrote to Kamil Bay: “On Attached is the costing and team structure slide that we presented, this includes the cost for 13 weeks of MVP phase which includes staffing cost, laptops to Infogain team, travel cost for onsite team during initial phase to be in Bentonville. The resource headcount provided is for 100% capacity for all resources mentioned in the Slide 2 except for the onsite SME (Sudeep Haldar) who will be utilized partially on need basis”

On Tuesday, April 11, 2023, Kamil Bay responded to Shahid A. Mohammed of Infogain, “I’m somewhat confused. The RFP I got shows 180. Is the 180 POC, and 270 MVP? Is there a typo?”

On Tuesday, April 11, 2023 Kamil Bay informed Adrian Milbourne, Ridhi Mehra and Dr. Jana, “Infogain cost is \$270k. Below is the explanation why the RFP says \$180K, however if we want “onsite”, it will be \$270K.”

The Initial SoW had a clause, “Total fees under this SOW must not exceed \$189, 520. Any fees exceeding \$189, 520 must be pre-approved in writing by Walmart in the form of a Project Change request. The cost includes Travel & Logistics charges.”

New BID amount of \$270,000 happened before the start of the POC project.

Please state if you agree or disagree with the above facts/statements. If you disagree, please explain and provide details.

(ii) Please provide dates of Infogain’s staff’s presence at Bentonville, AR during the POC (sometimes referred to as MVP) of the Defect Engine.

Asif Khan (Project Manager)  
Sudeep Haldar (Subject Matter Expert)  
Abdurrehman Malekji (AI Tech Lead)  
Shahid Mohammed (Account Manager)

(ii) Please state the tentative start date and the end date of POC as signed in the Master Service Agreement between Walmart and Infogain/Absolute Data Technologies, Inc on or around April-June 2023.

<sup>1</sup> POC - Proof of Concept

(iii) Please state the final END date and Total amounts paid (in dollars) to Infogain by the end of the POC

20. Please list dates, payment amounts (with dates) for all SOWs (Statement of Work) signed between Walmart and Infogain/Absolute Data Technologies, Inc (“Consultant”), “Product Change Request” and revenue change due to “Defect Engine” POC project during April - December 2023

21. (i) Adrian Milbourne conducted a survey for Infogain on or around the month of August, 2023 in Walmart’s Feedbackally (Walmart’s internal feedback website) before extending Infogain’s contract where team members provided inputs about their experience working with Infogain and Infogain’s performance. Adrian Milbourne never shared that document to anybody despite repeated requests. Adrian Milbourne, however, read those feedbacks in a closed door meeting with Dr. Jana and Kamil Bay during his visit to Dallas office on or around August 25, 2023.

Please write in the exact response’s associates provided for that feedback.

(ii) Please state your opinion about Infogain’s performance during the POC. Please state who provided this information to you.

(iii) Please state whether Infogain completed their SoW tasks within the first 8 weeks (extended to 13 weeks) successfully?

(iv) Plaintiff was the only Data Science Director and the majority of the work Infogain was doing was related to Data Science. Plaintiff declined to approve Infogain’s work twice, one in the 3rd week of Aug 2023 and another one in the 4th week of Sept, 2023 citing Infogain’s poor performance.

Did Adrian Milbourne or Ridhi Mehra issue “rejection notice” to Infogain during the “Acceptance Period” of the POC deliverables (3rd & 4th week of August 2023, 3rd & 4th week of September, 2023) before extending POC contracts to Infogain for September 2023 and October 2023 and who approved Infogain’s Data Science Related results during the POC ?

22. (i) Do you agree that none of Walmart associates in Ridhi Mehra’s organization saw NAVIK software during the POC, Infogain could not produce NAVIK software even after repeated requests by Walmart Associates?

(ii) If you disagree with the previous question, please state the name/names of Walmart associates in Ridhi Mehra’s organization who used NAVIK software provided by Infogain as promised during the vendor selection process in March-April 2023 and Statement of Work (SoW) on or around April-June 2023.

(iii) Please state whether you agree or disagree with the following statement below. (Complaint Dkt 13, ¶¶ 47, 48)

“On April 11, 2023 Infogain won the POC contract, which unfairly eliminated very competent US based vendors like Deloitte/Google...This is Antitrust procurement fraud with unlawful manipulation of a procurement process to obtain an unfair advantage during the procurement process, after eliminating the most competent vendors like Google/Deloitte who participated in the bidding process.”

If you disagree, please explain the reason why you disagree.

23. (a) Please state whether you agree or disagree with the following statement below. Please explain if you disagree.

Despite Ridhi Mehra, Adrian Milbourne and Kamil Bay knew that Infogain did not provide NAVIK software during the POC which Infogain promised during the vendor selection process and received extension multiple times (8 weeks POC ended in more than 20+ weeks), thereby, Ridhi Mehra, Adrian Milbourne and Kamil Bay probably committed crimes.

b) If you agree on previous question Please state you agree or disagree that Walmart violated its own Code of Conduct<sup>2</sup> (see below) and misled shareholders

- “We are honest, fair, and objective..We speak up about concerns and comply with all laws and our policies.”
- “..a culture of integrity guides all our decisions. We are dedicated to doing business the right way. Our Code reflects who we are as a company and shows how we bring our culture of integrity to life in our work every day. Integrity builds trust”

24. Please state the educational qualifications and any training related to the Data Science field of Adrian Milbourne, Ridhi Mehra and Kamil Bay.

Dated: March 28, 2025
